

# Make the most of your Bud visit.

## Before your Bud visit

Please work with our Bud Coordinator to ensure you tick off the following tasks.

- Complete the timetable of sessions.
- Select an appropriate parking location for Bud.
- Return this information no later than 10 working days prior to your visit.

## Bud Set Up

Please ensure there is someone to meet the Bud Team on arrival and liaise with them throughout the day of the visit.

With no facilities on board, it would be appreciated if you could take the time to show the Bud Team where they can find the toilets, staff rooms, lunch options etc.

Each session lasts approx. 45 minutes depending on the needs of the class. A member of school staff must be on board Bud at all times.

Please ensure each class arrive a few minutes prior to each session, each session is tailored to the needs of the class and delays can cut sessions short.

Space is limited on board – where possible please leave belongings such as backpacks and jackets in the classroom.
